01. PRODUCT INTRODUCTION

INTELLIGENT SECURITY FOR YOU

Dual Watch

3MP H.265 Wi-Fi P&T Camera

Equipped with a 3MP fixed lens and a 5MP PT lens, DualWatch monitors two scenes independently—like having two cameras in one.

- **Fixed Lens:** Manually adjustable (Pan 0–260°, Tilt 0–30°)
- **PT Lens:** Motorized control (Pan 0–355°, Tilt 0–90°)

Together, they deliver full home coverage.

Supports **4 night vision** modes for clear visibility even in total darkness.

With **IP66** weatherproofing, built-in spotlight, siren, and **two-way talk**

Full Color

Two lens resolution total 8MP

INTELLIGENT SECURITY FOR YOU

Smart Color Night Vision

Four smart night vision modes provide clear full color or black-and-white pictures even in complete darkness.

Smart Mode

If you switch to the Smart Mode, you can **enjoy black and white** night vision. The spotlights automatically turn on upon detection of suspicious motion, which shows you **vivid full-color image** when something happens.

Infrared Mode

Advanced IR algorithms provide clear **black-and-white** pictures even in darkness.

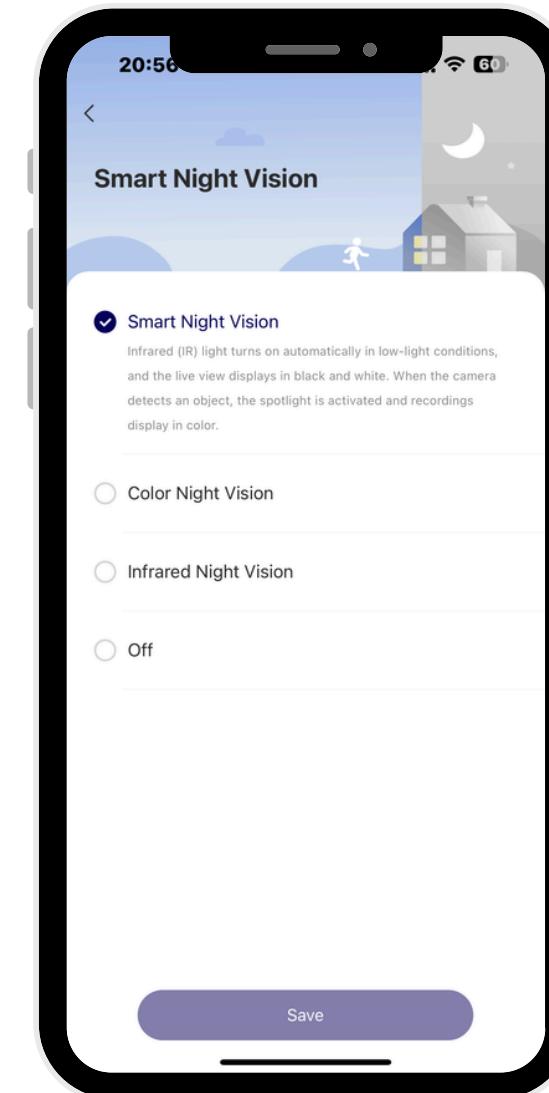

Color Mode

Thanks to the two built-in spotlights, your night vision is now lit up and **in full-color**. Color Mode also offers outdoor lighting for your home.

Off Mode

Turn off all night vision modes
Infrared and spotlights all turned off

Benefits & Key Features

Advanced AI Human & Vehicle Detection

Utilizing proprietary algorithms, our system enhances detection accuracy for humans and vehicles, significantly minimizing false alerts and elevating home security.

Benefits & Key Features

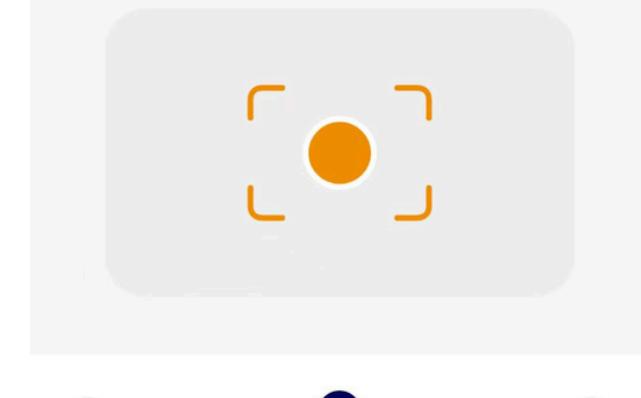

Detection Region

Tap and select grid to set motion detection area. No alarm will be triggered when motion is detected in the non-motion detection area.

Detection Sensitivity

Higher detection sensitivity means the camera is more sensitive to motions, which will result in increased false alarm notifications and battery consumption.

Setting medium detection sensitivity reaches a balanced work performance.

Benefits & Key Features

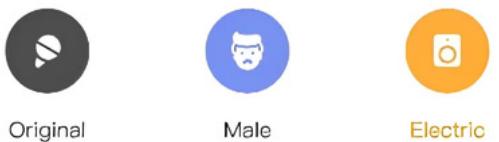

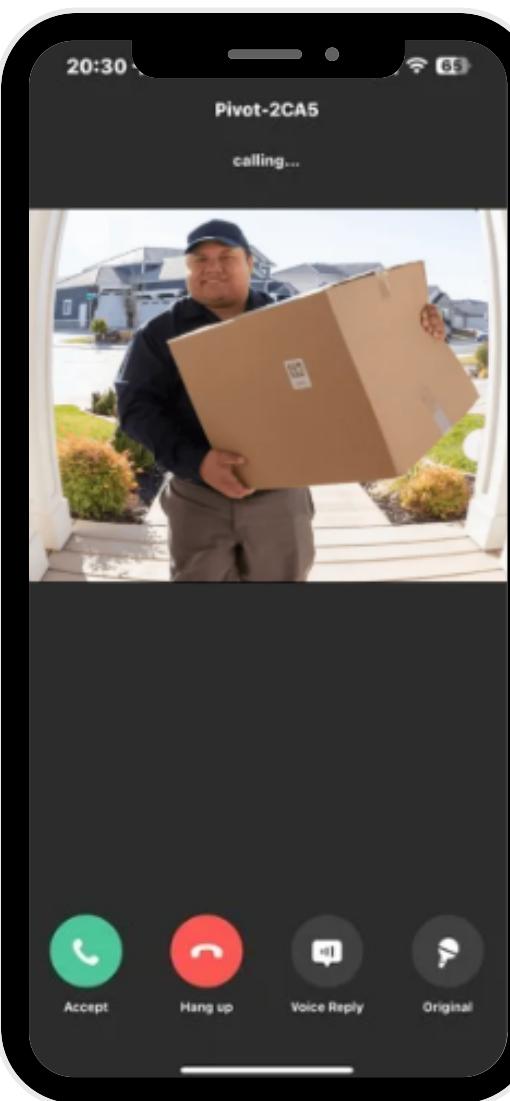

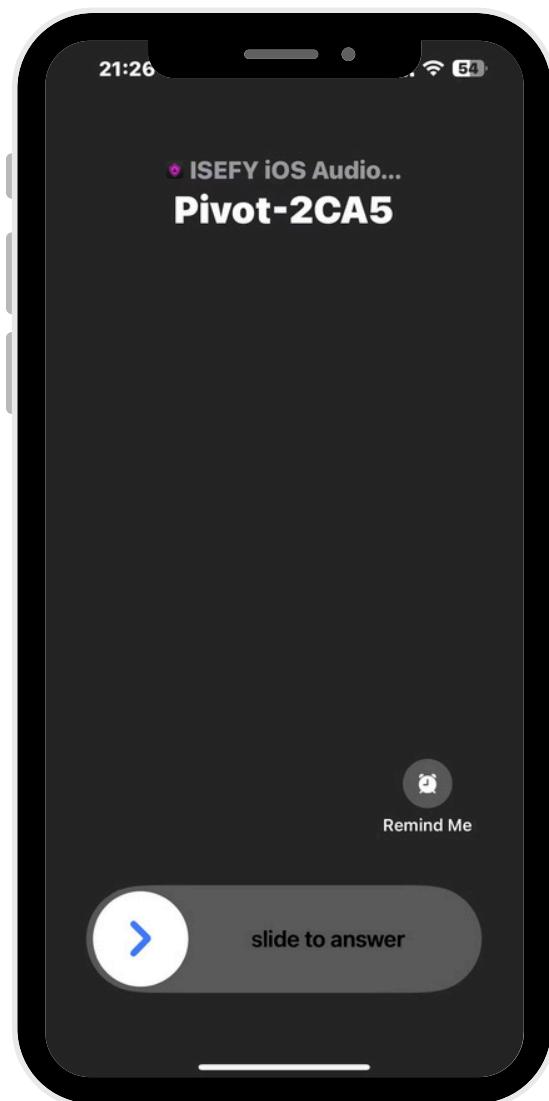

ISEFY

INTELLIGENT SECURITY FOR YOU

Full-duplex Two-way Talk with Variable Voice

Two-way Talk with variable voice allows you to interact with visitors or dissuade unwelcome people, and protect your privacy.

www.isefy.com

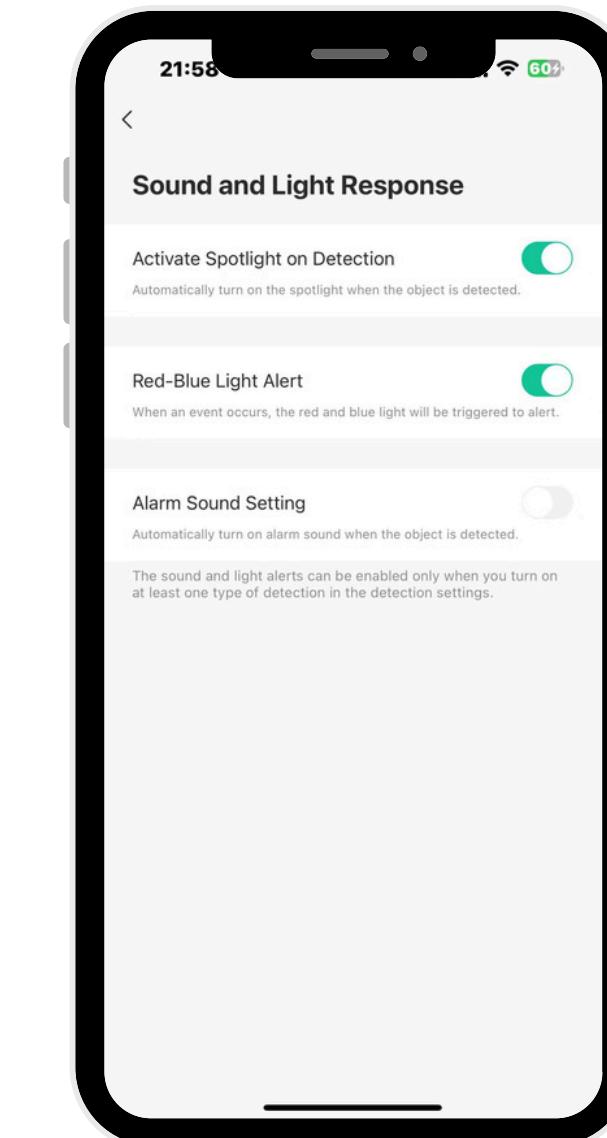

ISEFY

INTELLIGENT SECURITY FOR YOU

Active Deterrence

When the camera detects intrusion, with built-in spotlight turns on and a 110dB siren starts to alert, Cruiser actively keeps unwelcome visitors away from what you care before you notice them.

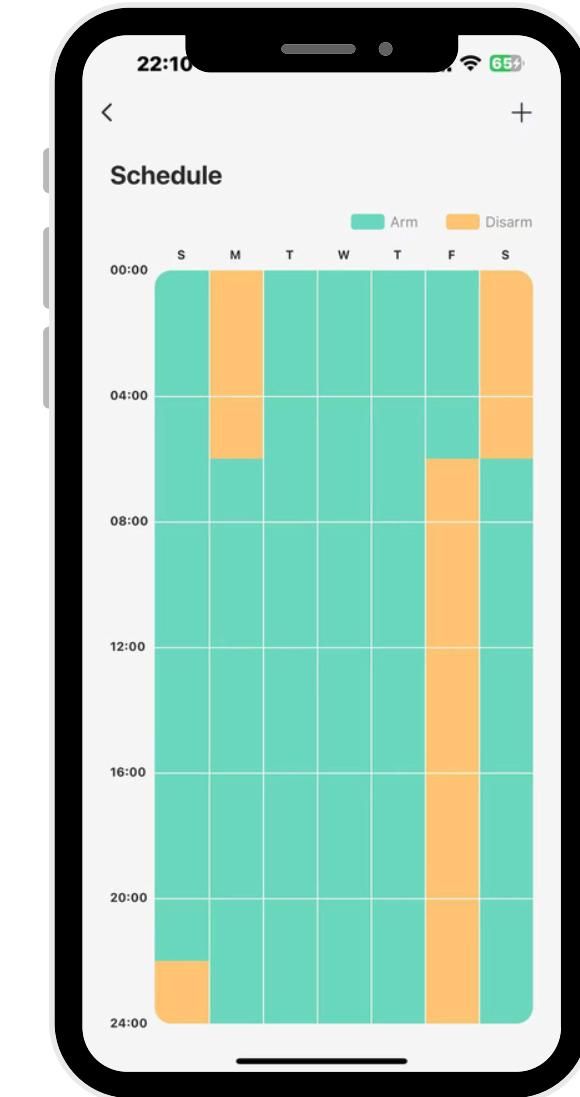

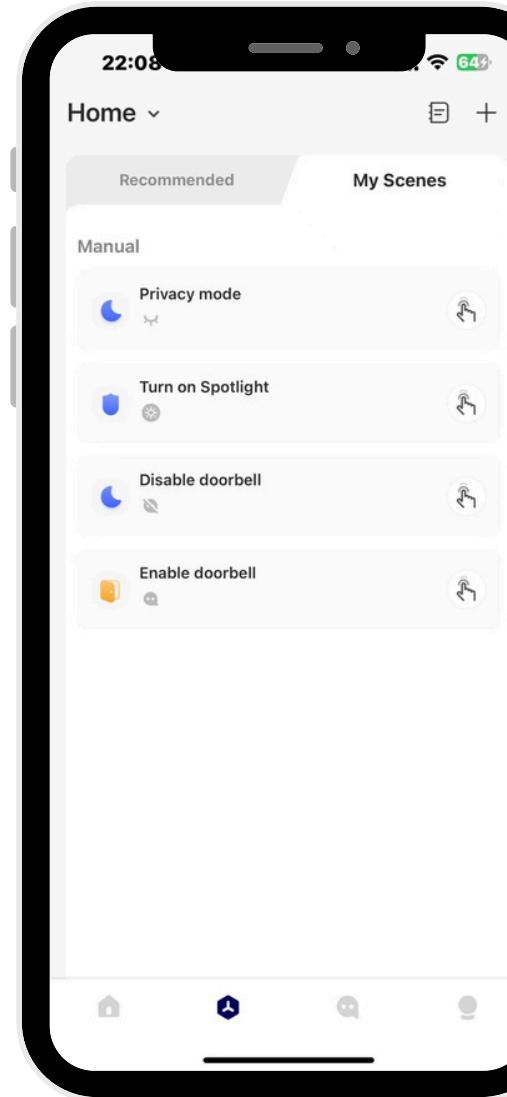

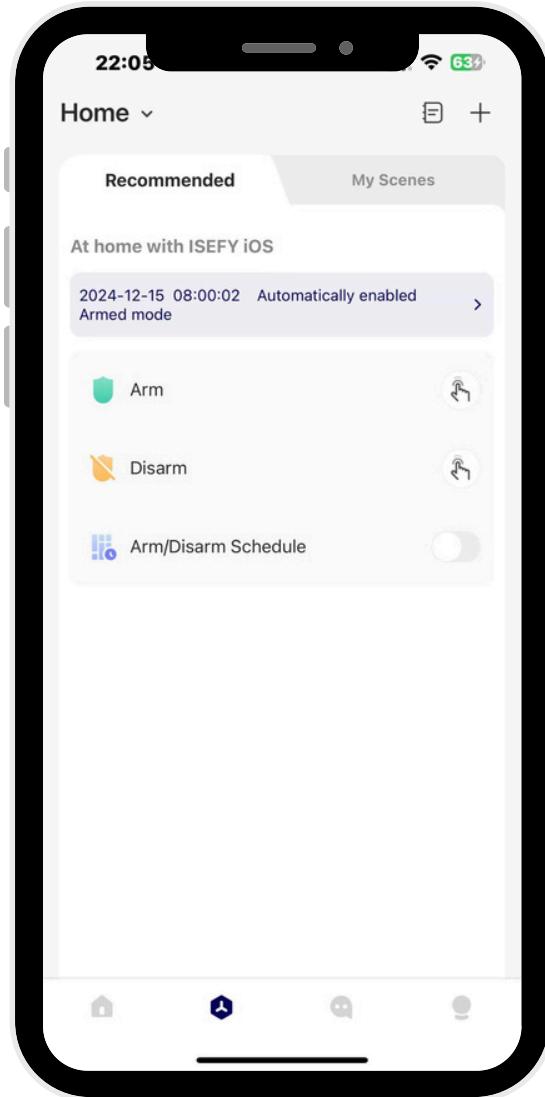

Benefits & Key Features

Smart Control, Fully Customizable Security

Take full control of your home protection with flexible scheduling and customizable device actions.

Create your own scenes, set up personalized routines, and make your system work the way you live. From scheduled defense to manual one-tap triggers, enjoy a security system that adapts to you.
